

# To My Knees

Words and Music by  
Joel Davies & Aodhan King

VERSE 1:

**In the Saviour's love  
I find joy beyond compare  
Endless peace covers all of me**

**When You breathe within  
You turn winter into spring  
Grace dissolves every fear in me**

CHORUS:

**Your love brings me to my knees  
Brings me to my knees  
My King forever**

**You are all my heart desires  
Until the end of time  
My soul surrendered**

VERSE 2:

**In my vacant heart  
Lord You came and made a home  
You bring light to the dark in me**

**When I lose my way  
I am beckoned into grace  
You alone are my everything**

BRIDGE:

**All the earth sing of mercy never ending  
I will worship with all that is within me  
Holy holy Lord God Almighty  
King of heaven  
Yours is the glory**
