

# FACE TO FACE

Words & Music by Hannah Hobbs,  
Laura Toggs & Michael Fatkin

VERSE 1:

**I remember when I called Your Name  
There I knew I'd never be the same  
Love came rushing to this heart of mine  
Like You'd waited for this all my life**

VERSE 2:

**I remember when I learnt to pray  
Close to You I found my hiding place  
Here Your Spirit works within my soul  
And Your presence keeps me wanting more**

VERSE 3:

**When I think upon Your wounded hands  
And how You began our great romance  
I will take Your bread and take Your wine  
To remember Lord Your sacrifice**

VERSE 4:

**Now a servant for Your kingdom come  
Where You're leading me is where I'll run  
Jesus I can be Your hands and feet  
May my life remember You my King**

CHORUS:

**I need You more than anything**

BRIDGE:

**Lord here I am  
I'm reaching out  
I will lay me down and surrender  
I'll sing Your Name  
I'll sing it loud  
You are all I want now forever  
Lord here I am**

VERSE 5:

**And the day shall come when I will rise  
Finally I'll see You face to face  
With the heavens I will glorify  
Crown You Lord for all eternity**
