

GREATEST OF THESE

Words and Music by Joel Houston

VERSE 1:

**I could chase after greatness
First to fall on my knees
Lose myself to be found
Where You want me
I could do all the right things
Sing the words till they bleed
But I know it's just noise
If I don't have love**

CHORUS:

**So I won't waste my breath
If it's not for love
I don't have the heart
If it's not for love
Don't let me say it's faith
If it counts no cost
'Cause there's no fear in love
But there is a cross**

VERSE 2:

**I could speak like the angels
Prophecy knowing all
I could live with the faith
To move mountains
Should I die like a martyr
Give my wealth to the poor
It would all scream loud-nothing
If I don't have love**

BRIDGE:

Be patient

Be kind

Hold no envy or pride

Be the first to come last

For another

Never forced

Slow to anger

Trust without keeping score

Long to suffer with truth

Love will never die

TAG:

Love will never die

But there is a cross
