CHORUS:

**Your life
Your life
Your life
In mine**

VERSE 1:

**Your thoughts
Your ways
Your mystery
Too deep for words
My spirit burns to worship You**

VERSE 2:

**Your heart
Your plans
Your will for me
There's nothing else my soul desires
Than more of You**

BRIDGE:

**Take my heart
Take my soul
Take my mind and I will
Give my thoughts
Give my all
Give my life to follow You
Take my hands
Take my breath
Take my dreams and I will
Lift my eyes
Lift my faith
Lift my voice and worship You**

VERSE 3:

**My God
My closest friend
I need Your love
More than my lungs
Need oxygen**
