

Step By Step Text SMS Giving Guide

To give a one-off donation to tithes by Text / SMS, you'll need to complete a simple one-time set up to register your payment card. This usually takes a couple of minutes.

You'll need a Smart Phone with data or WiFi access. (Eg. an iPhone, Android or similar). Then follow these four steps.

STEP 1

Send a text to **70177** with the word **TITHE** followed by the **amount** you wish to give, e.g. **TITHE 250**.

STEP 2

You will get a reply with a link to setup your payment card on the system. Any giving using our smartphone giving system will be deducted from **your payment card**, not from your mobile phone bill.

STEP 3

Tap the link on your smart phone to open the payment setup page and fill in the form.

STEP 4

Tap the **Process Payment** button and you will be redirected to a confirmation page containing your **receipt ID**. You will then also be prompted to complete a **GIFT AID** declaration
