

DAYS GONE BY

Words and Music by
Ben Tan & Karina Wykes

VERSE 1:

**I walked the world afar
Built up a thousand walls
To try and hide away**

**I searched to find my soul
A journey far from home
Lost in a life I'd made**

**And I'd been 'round in circles
Living for the moment
I know I ran so far**

**Was acting kind of crazy
Coming up with empty
Felt like I lost my heart**

PRE-CHORUS:

**Now I've found a love that
Is clearer than the deep blue skies
It's true You were right there
I can see it in the days gone by**

CHORUS:

**I see You in the days gone by
Your promise never left my side
I know sometimes I tried to give up
Still You caught me when I fell from high
I see You in the days gone by**

VERSE 2:

**You took my fragile fate
And didn't hesitate
Your love in every scar**

**Passion with no restraints
Held back the darkest days
So now my life is Yours**

**You've got me when I'm broken
You're with me when I'm hopeless
I know You're never far**

**Your mercy has no ending
It perseveres unyielding
You'll always have my heart**
