SALVATION IS NO SMALL THING

# DO YOU REMEMBER THE DAY THE LIGHTS WENT ON?

**Do you remember the  
moment you awakened  
and felt the weight  
soften and lift?  
Do you remember the  
mystery and questions  
fading as truth drew near  
and “the new” found its  
home in you?**

SALVATION IS NO SMALL THING, NOR IS THIS  
CURRENT CHAPTER IN MODERN HISTORY,  
WHERE WOMEN ARE SEEKING VEHEMENTLY TO  
FIND THEIR VOICE, THEIR STANCE AND THEIR  
VALUE. SALVATION IS WHERE THE PAST AND ALL  
THAT IS BROKEN AND LOST IS REPLACED WITH  
ALL THAT IS NEW AND WONDROUS. IT’S THE  
BEGINNING OF LIFE ETERNAL, WHERE PROMISE  
AND FAVOUR POINTS US IN THE DIRECTION OF  
HEAVEN... IT’S WHERE THE COLOURS BEGIN,  
AND EDEN IS RESTORED.

The 2019 COLOUR Conference, hosted in Sydney, Los Angeles, New York, Cape Town, London and Kiev will be stunning. Wrapped in the language of “Be Found in the New – the colours, wonder and favour”, consider this Invitation both personal and to your friends, because when it comes to making this world a better place we are better and stronger together.

The language of “experience the room” is often used in the Invitation because there is something tangible and felt as women gather from far and wide, under one roof, and become a living, breathing and dynamic canvas of age, diversity, culture, passion and unity. Across the breadth of the eight conferences I have invited long-time friends and international guests **JOHN GRAY, LISA HARPER, CHRISTINE CAINE AND DAWNCHERE WILKERSON** because they can light up a room in a unique and gorgeous way. And as always, our own much loved and dynamic **HILLSONG WORSHIP, LEADERSHIP AND TEACHING TEAMS** from around the world will bring their finest to the table.

If you are new or unfamiliar to Colour (and the ripple effect that has become a modern-day women’s movement around the world), a glimpse of that 23 year history is captured online at [colourconference.com](http://colourconference.com)... where the stories, the impact and the influence of everyday women and girls, will inspire you towards greatness, purpose and change.

The Sisterhood believes in you... as does a good, good Heavenly Father. His heart toward you is laced with love, generosity, kindness and possibilities beyond your wildest imagination. I know He waits in our future with yet another exciting layer in our collective story. So, to that end our prayers surround you... and we look forward to being together soon.

WITH LOVE AND AFFECTION,

A close-up photograph of three women smiling and laughing together. The woman on the left is wearing a bright pink, pleated, long-sleeved top. The woman in the middle is wearing a dark, patterned top. The woman on the right is wearing a blue top. They are all looking down and smiling. The background is a blurred desert landscape with a clear sky.

A woman with dark, curly hair and a purple patterned top stands in front of a large, rusted metal structure, possibly a train car. The scene is set in a desolate, arid environment with dry ground and scattered debris. A large purple cloth is draped over a structure to the left. The overall mood is one of resilience and hope.

and “the new” found its  
home in you?**

SALVATION IS NO SMALL THING, NOR IS THIS CURRENT CHAPTER IN MODERN HISTORY, WHERE WOMEN ARE SEEKING VEHEMENTLY TO FIND THEIR VOICE, THEIR STANCE AND THEIR VALUE. SALVATION IS WHERE THE PAST AND ALL THAT IS BROKEN AND LOST IS REPLACED WITH ALL THAT IS NEW AND WONDROUS. IT'S THE BEGINNING OF LIFE ETERNAL, WHERE PROMISE AND FAVOUR POINTS US IN THE DIRECTION OF HEAVEN... IT'S WHERE THE COLOURS BEGIN, AND EDEN IS RESTORED.

The 2019 COLOUR Conference, hosted in Sydney, Los Angeles, New York, Cape Town, London and Kiev will be stunning. Wrapped in the language of “Be Found in the New – the colours, wonder and favour”, consider this Invitation both personal and to your friends, because when it comes to making this world a better place we are better and stronger together.

The language of “experience the room” is often used in the Invitation because there is something tangible and felt as women gather from far and wide, under one roof, and become a living, breathing and dynamic canvas of age, diversity, culture, passion and unity. Across the breadth of the eight conferences I have invited long-time friends and international guests **JOHN GRAY, LISA HARPER, CHRISTINE CAINE AND DAWNCHERE WILKERSON** because they can light up a room in a unique and gorgeous way. And as always, our own much loved and dynamic **HILLSONG WORSHIP, LEADERSHIP AND TEACHING TEAMS** from around the world will bring their finest to the table.

If you are new or unfamiliar to Colour (and the ripple effect that has become a modern-day women's movement around the world), a glimpse of that 23 year history is captured online at [colourconference.com](http://colourconference.com)... where the stories, the impact and the influence of everyday women and girls, will inspire you towards greatness, purpose and change.

The Sisterhood believes in you... as does a good, good Heavenly Father. His heart toward you is laced with love, generosity, kindness and possibilities beyond your wildest imagination. I know He waits in our future with yet another exciting layer in our collective story. So, to that end our prayers surround you... and we look forward to being together soon.

WITH LOVE AND AFFECTION,
