WE ARE ALL FAMILY

Words and Music by
Dan Lee-Archer & David Wakerley

VERSE:

**We are all family
I'm sorry can you repeat that for me
I said that We are all family
That's physically impossible, it just can't
be
But it's true that we're all family
But my mum had six children and you're
not one of them**

**Well when I say that...
Plus when I look through my family
albums and there isn't a single photo of
you
Well that is because...
Plus you have blood type B-positive and
both my parents are blood type A-positive
and the statistical likelihood is that the
high ninetyfive percentile that all their**

**children would have the same blood type
and you don't**

Listen to this

CHORUS:

**We are all family
It's time to open your eyes and plainly see
That this is the truth and it will always be
That we are all God's family**

VERSE:

**So we're related
Yes related
It's so much to take in
That we're related?
We're related!
You're like my next of kin
It's so much to process but it's kind of
great
That my new brother is my old mate**

**Ha ha it's not just us
Really?**

CHORUS 2:

**We are all family
Not just a group of people that you have
'round for tea
There's a lot more of us you've just got to
believe
That we are all God's family**

VERSE:

**So it's not just you and me that's a part of
this song
If you thought that was right then buddy
you would be wrong
So who else is there? Is it a boy or a girl?
Well it's both, it's everyone in the world**

**You just rhymed with what I said twice
You're like you're a poet and nobody told
you
Thank you very much
But how can we all be related
Well we all share the same father
John?
No, God
Ha, Ha that makes sense**
