DANDY CANDY EATING HANDY HANDS

Words and Music by
Dan Lee-Archer & David Wakerley

VERSE:

**Have you ever thought of your hands
before?
They're kind of something that you can't
ignore
Four fingers and opposable thumbs
Thanks for the science lesson mum!
Just think of all the things your hands can
do
I know that I can name more than you
Oh really? It's on**

CHORUS:

**Like a fist bump
Or a high five
Catch a basketball
That's a bee hive
Tie your shoelace
Or a reef knot
Bake a cupcake
Build a robot**

**Make a puzzle in an afternoon
Eat my mums spaghetti with a spoon
I use my hands to make ravioli
I use my hands in soccer, what? I'm the
goalie**

VERSE:

**There's so much you can do with your
hands
Playing the drums or guitar in the band
There's so much you can do with your
hands
I'm eating candy with my hands, these
dandy candy eating handy hands**

BRIDGE:

**Just let me get a little deep for a minute
There's a question to be asked no matter
how you spin it
Who made these hands in the first place?
Well it was our great God and amazing
grace
God asked Moses what's in your hand?
Before He let him take His people to the
promised land
Just think of all your hands can do
Make a difference for Christ, it's up to you**

VERSE:

**But there are somethings that we
shouldn't do
Like climbing through the bars pat the lion
in the zoo
Skip rope with a snake, fish for crocs in a
pond
Write John on your name tag if your name
is not John**

Pick your nose with a finger, punch a kangaroo

These are just a few things that you shouldn't do,

With your hands

Well these are just a few thing that you shouldn't do
