

DAILY DEVOS WITH PHIL

DAY 9 : PEACE OVER PANIC

Hey everybody,

We've been talking about trees and seeds and fruitfulness.

God has given each of us seed so that we may produce fruit and a great harvest. If you've committed your life to Jesus, the Spirit of God lives in you and is continually shaping you into whom God has called you to be. Can I encourage you, whatever seed you have, partner with God to make it grow.

Galatians 6: 9 (NIV) says: *'Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.'*

In the Passion Translation, it says: *'And don't allow yourselves to be weary or disheartened in planting good seeds, for the season of reaping the wonderful harvest you've planted is coming!'*

Do not to grow weary. Don't compare yourselves with others. God has a great plan for your life. He's put some unique seeds in you. Run your own race and be faithful with what is in your hand. What I love about a beautiful garden is the diversity. There are all kind of trees and plants, and so it is with our lives too. We're all growing in different ways according to the DNA that God has placed within us. So let's not worry about what someone else is doing.

Even in this Lockdown season, we can continue to do good. Let's keep working towards that great harvest, which we'll reap if we don't give up. Let's keep growing so that our lives produce significant fruit.

This is Phil signing out until next time. God bless you. Remember, we're spreading the love and not the virus.
