

# Worship Music

The Worship Music stream is designed to equip those who wish to minister through their musical ability with professional technique, performance experience, ministry expectations and spiritual potency. Students will learn from those with years of practical experience within worship music and the music industry at large. Students will receive feedback and training that will prepare them for a lifetime of development and musical excellence.

## Focuses:

Within your stream, you will also select a focus, which is a specific skill set you would like to develop.

1

### Vocal Focus

Designed to equip vocalists who are talented and confident in ministering through their voice. Some areas of development are:

- Vocal anatomy and health
- Harmony
- Breathing
- Vocal tendencies: how to overcome consistent 'problem areas' of your voice quickly and effectively.
- Communication as a vocalist to an audience

2

### Songwriting Focus

Designed to equip those who wish to minister through their musical and song writing capabilities in a Creative team context. Raising a generation of skilled and passionate songwriters who can collaborate with those around them. Some areas of development are:

- Developing lyric
- Creating melodies
- Effective chord progressions
- Rhythm and phrasing
- Contributing to a worship team as a vocalist or a musician

3

### Musician Focus

Designed to equip those who wish to minister through their musical instrument. We equip musicians to become a valuable resource in a team/band, both in a musical and leadership capacity. Some areas of development are:

- Song learning
- Effective soundcheck and rehearsal
- Dynamics and groove
- Music directing
- Using tracks
- Musical transitions
- Musical improvising

Our courses are structured to equip you with the ministry and musical industry standard practices, skills, and knowledge. Ultimately, we hope to prepare students for a lifetime of excellence in service to the Church and to cultivate a heart for worship.
