Graduate Reviews

Hillsong College set my life up for the greatest win! Being fully immersed in an environment where you are constantly being poured into, given countless opportunities to outwork your gifts and talents, and even corrected when you go a little too far off the deep end, helped shape me to be the woman and leader I am today.”
— Allison, USA | Worship Music Graduate

“One of the most meaningful things that Hillsong College modeled to me is the importance of discipleship. This was constantly reflected in the words and actions of every College and Church staff; always uplifting and encouraging.”
— Josh, Canada | Master of Arts Graduate

“The Bachelor of Theology course has stretched my faith, enlightened me on my Christian beliefs, and shed light on questions I’ve had throughout the years. It has equipped me to help others understand Christian faith and belief in a more effective way.”
— Stacey, Indonesia | Bachelor of Theology Graduate

“The Master of Arts course was probably one of the most challenging things I’ve ever signed up for. It taught me to value research, appreciate opposing views and where to find good answers. More than anything it humbled me to stay teachable by realising how much I didn’t know and I’m grateful for that.”
— Wesley, Brazil | Master of Arts Graduate

“The hands-on experience I had while I was in College was highly instrumental in helping me get where I am today in the Film & TV world. The best way to improve your craft is to do it over and over again and Hillsong College gives you plenty of opportunities to get those experiences which helps you grow and develop your God given talents.”
— Matt, USA | Film & TV Graduate

Graduate Reviews

“Having done three years of the Vocational Program and then studying the Bachelor of Theology course in depth was amazing. Learning more about God does not only lead to incredible revelations for myself but it helps me disciple people!”
— Joshua, Germany | Bachelor of Theology Graduate

“College is a watering hole for creativity, a house filled with creative minds and innovative ideas. I’ve had the privilege of working alongside so many incredible creators and leaders who consistently push and inspire me. I have not only gained practical skills such as editing and marketing strategies, but I have learned leadership – Godly, servant leadership.”
— Hayley, Australia | Pastoral Leadership Graduate

“Before coming to College, we had a fashion brand which was our focus, so we were designing our own apparel... we knew going to College would help us build a foundation in our Christian walk and we also felt it would give us inspiration even in our craft.”
— Susanna and Joanna, UK | Pastoral Leadership Graduates

“The best thing about Hillsong College Online is that you can study anywhere! I’ve done lectures on an airplane, in a hotel room, in my bedroom — you can even do them on your phone and that’s probably my favourite thing, how flexible the options are to study.”
— Jonathan ‘JD’ Douglass, Australia | Hillsong College Online

“Throughout this season at College, God has taken me on a journey of discovering my purpose and identity in Christ as the Aboriginal woman He created me to be. These years have been life defining, as I have grown in my understanding of God, His Word, and His people.”
— Mikenzie, Australia | Bachelor of Theology Graduate

Diploma of Ministry

10670NAT CRICOS 096714E

Our Diploma program trains you with the skills you need to lead a ministry team and will take your leadership training to the next level. By building on what you learned in your first year, your understanding of the Bible and theology will continue to expand. You'll now start adding team and people leadership to your ministry skill-set, whilst continuing to grow in your area of ministry. This accredited course is part of our Vocational Education program that trains you with the skills needed for marketplace careers in the same field as your stream's ministry specialisation.

Diploma of Ministry

Course Structure

Entry Requirement: Completion of Certificate IV in Ministry or equivalent
Core Subjects: 240 hours
Stream Subjects: 240 hours
Practicum: 240 hours
Diploma: 720 hours
Duration: 12 Months

Everyone chooses a stream that further develops their expertise in their ministry of passion and calling. Practicum is where each student continues to grow by turning their classroom learning into real leadership skill through hands-on experience in an area of ministry in Hillsong Church.

Students will learn in a variety of settings including lecture-style classes, group-work, presentation, self-directed learning activities, workshops, tutorials and work-based training. Assessment methods include written assignments, reports and journals, oral and written presentations, ministry observation, performances, portfolios, tests, and workplace feedback.

Practicum

Get ready for a real step up in your practical ministry experience. In our Diploma program, you will feel opportunities and responsibilities increase, as you take on more key roles in the ministries you are involved in.

For Hillsong College Online, see note below.

Within the Diploma of Ministry program practicum, you will also get to tailor your practical ministry involvement by choosing the ministry area you want to focus on more specifically. As you do this, the level at which you get to be involved in ministry will rise, as you get to lead teams or provide leadership through your growing ministry expertise.

Our Diploma program enlarges your knowledge of biblical teaching and theology, while starting to develop your team and people leadership skills. It also allows you to further develop expertise in your chosen area of ministry. Put it all together and the Diploma program trains you with the necessary skills to lead a ministry team or exert leadership within a local church or Christian organisation, for example:

- Youth team leader
- Worship leader,
- Music or vocal director
- Leader in a kids or student team
- Team leader in a church video team
- Leading a discipleship group
- Leading a community outreach or social justice team
- Running church events
- Coaching young songwriters

The course also trains you with the required skills for marketplace careers in the same field as your chosen stream's ministry specialisation.

And like in Certificate IV, Practicum continues to be closely connected to your Core Subjects, so through your consistent involvement in leading and influencing others you will further develop the leadership skills these subjects are teaching.

If you are from a local church in the Sydney Metropolitan or Phoenix areas, you can continue to choose to do your Practicum in your home church.

All Hillsong College Online Campus student's Practicum serving will be outworked in their local home church.

Diploma of Ministry

Core Subjects

These subjects will further strengthen your understanding of the Bible and theology, while adding key leadership skills to your ministry toolkit, so you can start empowering others to make a difference.

CORE SUBJECT	OVERVIEW
New Testament Studies	An in-depth look at key books and genres in the New Testament, focusing on Paul's letter to the Romans and The Gospel of Luke. It will delve more deeply into the cultural and historical settings of both books and help students cultivate some early exegetical skills that can be applied to the close study of other books of the New Testament. It will also help students analyse how one might apply these texts to contemporary Christian life and ministry. <i>(MINBIB501A Interpret and apply the Bible. 40 hours)</i>
Old Testament Studies	An in-depth look at key texts in the Old Testament, focusing on Exodus and Psalms, analysing and interpreting major themes and applying them to a contemporary ministry. This subject builds upon the bible study skills developed in Certificate IV by developing some basic exegetical skills appropriate for reading Old Testament texts accurately. <i>(MINBIB501A Interpret and apply the Bible. 40 hours)</i>
Pastoral Care	This subject equips the student with the skills necessary to identify and effectively deal with pastoral care issues that arise in a ministry setting. These topics include identifying issues, effective consultation and referral, an overview of key pastoral issues, such as grief and loss, relational issues, and crisis care. Students are encouraged to think through the biblical and theological dimensions of caring for people so that they can grapple with many of the difficult issues that come up in pastoral ministry. <i>(MINPST501 Interpret and apply pastoral theology in a ministry setting 32 hours)</i>
Theology	This subject builds on the concepts and skills developed in Christian Doctrine in Certificate IV. It discusses and develops major theological concepts, seeing how they developed through church history, and explores the diversity of theological viewpoints across a range of Christian traditions. The strengths and weaknesses of different positions will be assessed, along with their implications for life and ministry in a modern-day church setting. <i>(MINTHY501 Interpret and apply theological concepts 40 hours)</i>
Team Leadership	The level of leadership responsibility and influence students are trained to carry increases significantly. In this subject, students will be equipped with a deeper understanding of leadership dynamics and diverse skills needed to lead and build teams in a ministry environment. It will help students build their capacity to recruit people into teams, build a great team atmosphere, manage teams to meet challenging ministry goals, and develop the people in their teams to fulfil their God-given potential. This subject will also be outworked in the practicum component of the course. <i>(BSBMGT401 Show leadership in the workplace with MINLED505 Develop self and others as Christian leaders in an integrated fashion 30 hours)</i>

CONTINUED ON NEXT PAGE...

CORE SUBJECT	OVERVIEW
Leading a Discipleship Ministry	Focusing on one of the essential foundations for church growth, this subject equips students to cultivate discipleship growth through a community made of one or several small groups. Specific skills covered include growing your own discipleship group, facilitating Bible study discussions, developing Bible study materials, and developing new leaders who can then start their own discipleship groups. <i>(MINPST404 Lead and multiply a Christian small group 40 hours)</i>
Safe Church	Focusing on one of the key responsibilities of modern ministry leaders, this subject equips students with the skills and information needed to assess and maintain safety in a ministry environment. <i>(MINSAF501 Apply Safe Church policies and procedures 8 hours)</i>

DIPLOMA OF MINISTRY

Film & TV Stream

The Film & TV stream subjects continue to deepen your skills in cinematography, editing, and screenwriting, while introducing you to focused subjects on lighting, managing screen production, and sound design for film. These are combined with Leadership and Biblical core subjects, to give you a solid foundation to start creating your own films that communicate impacting messages. You will also have the opportunity to lead a variety of Film and Television projects within our College and Hillsong Church TV teams, including the creation of content for the Hillsong Channel.

DIPLOMA OF MINISTRY

Film & TV Stream Subjects

SUBJECT	OVERVIEW
Managing Screen Productions	In this subject students will develop the skills and knowledge needed to plan and coordinate film resources across a range of screen and media activities such as: gaining the proper permissions and licenses, such as buying stock footage, copyrights, and gaining approval for location shoots in public places. Working with a wide variety of cast and film crews, students will learn what it takes to deliver content at a high standard, on time and to budget. <i>(CUAPPM406 Coordinate film and media production services and resources 32 hours)</i>
Sound Design for Film 1 and 2	In Sound Design for Film, students will gain an understanding of what it takes to create a dynamic sound base that drives and complements a story. They will be trained to record quality dialogue and sound effects on location using various microphones and external recording methods. Students will be taught how to capture sound that will enhance the visual elements of a story, while gaining the skills necessary to perform basic post-production audio corrections needed in mastering audio tracks for film. <i>(CUASOU503 Develop sound designs 40 hours)</i>
Lighting for Film 1 and 2	Being intentional in painting film with light will take a project from the average everyday to a beautiful film masterpiece. Here students will learn techniques for lighting a film including how to create moods, looks, and colours all while working with different industry grade lighting equipment to create the cinematic look that drives a story. The course is taught through understanding lighting rules and principles while participating in hands-on class exercises and working on a project as the lighting designer. <i>(CUALGT402 Implement lighting design 40 hours)</i>
Digital Editing 3 and 4	Building upon the editing skills learned in the Certificate IV year, this subject will develop technical understanding of Adobe Premiere Pro and After Effects. Students will learn how to edit meaningful stories that captivate and challenge your audience. Classes will focus on working with sophisticated creative content in a fast-paced environment with exposure to a variety of projects. Students will also have the opportunity to function as the supervising editor for a variety of projects within our College Creative teams. <i>(CUAPOS501 Edit complex screen productions 48 hours)</i>
Cinematography 3 and 4	Deepen your understanding of visual storytelling by exploring more principles of cinematography including: camera movement, digital cinema cameras, lighting, shot composition, and how to create that cinematic look. Weekly workshops will continue to develop your skills on a variety of cameras and film equipment. These skills will equip students to contribute to the film industry in a range of roles such as Assistant Camera, Camera Operator or Director of Photography. <i>(CUACAM401 Shoot a wide range of screen content 48 hours)</i>
Screenwriting 3	Students will continue to work with the principles and concepts created in their Certificate IV year of screenwriting while looking deeper at story structure and the elements that contribute to a story. They will learn to write in a range of different styles as well as how to work with project briefs or concepts developed by others. Adding to this, skills will continue to be shaped as students develop their own scripts and gather feedback on their work in a collaborative writing environment. <i>(CUAWRT402 Write extended stories 32 hours)</i>

This development is guided by key members of the College faculty through regular coaching sessions. <i>(MINLED603 Demonstrate the integration of judgement, skills, ministry ethics & practice in a Christian vocation, MINLED602 Demonstrate influence within a Christian ministry 240 hours)</i>

ELECTIVE SUBJECT	OVERVIEW
Elective Subjects	You will choose eight elective subjects in your third year that are most relevant to managerial, pastoral, creative, or other technical leadership areas.

MANAGERIAL LEADERSHIP	
Leading a Church Department	As a senior leader one of your key roles is to implement vision and organisational ethos to your church or ministry department, communicating it powerfully to your team, outworking it with other departments and directing its effective implementation. This subject will equip students with the practical skills needed to manage human resources within a department, take them through the financial planning process and help you develop the strategic management skills and disciplines needed to steer a department. <i>(MINLED610 Manage a church department 56 hours)</i>
Managing Leaders	At higher levels of leadership, much of a leader’s time will be spent developing and managing other leaders. This subject explores the principles, practices, and disciplines of those who excel in leading and managing teams of leaders. Content and skills will be drawn from both the ministry and business worlds. <i>(MINLED604 Manage and develop ministry leaders 59 hours)</i>

PASTORAL LEADERSHIP	
Apologetics	With the recent rise in pluralism and militant atheism, Christian leaders are often required to give a reasoned defence of their faith. This subject equips students with the background knowledge and skills required to present the case for Jesus Christ in a post-modern world. Students will develop an understanding of and a response to the key arguments used to challenge the Christian Gospel. <i>(MINTHY602 Defend the Christian Faith 58 hours)</i>
Corinthian Correspondence	Paul’s two letters to the Corinthians provide an ideal opportunity for in-depth study of a New Testament book in its historical, cultural and social setting. This subject will examine the background to the early church in the first-century Greco-Roman world, and further develop NT exegetical skills. Students will also explore more deeply the process of applying the NT text into a modern day church setting. <i>(MINBIB601 Interpret and analyse biblical literature 55 hours)</i>
Prophetic Literature	The prophetic books of the Old Testament give a unique insight into God’s relationship with ancient Israel. Bringing together Israelite history, Jewish poetry, and Old Testament theology, this subject will help students grapple with the message of these profound and challenging books. Whilst developing OT exegetical skills, students will also learn to examine the process of applying the OT prophetic message to the modern world. <i>(MINTHY603 Examine and apply biblical theology to a ministry setting 59 hours)</i>
Social Justice and The Church	Social justice is increasingly becoming a subject of concern in contemporary societies. This subject will explore aspects of social justice practices and theory and apply them to evaluate the contributions of the Church to that arena. Students will be equipped to develop strategies of implementation in a ministry setting. <i>(MINPST602 Apply social justice to a ministry setting 60 hours)</i>
Contemporary Theologies	Theology is a continually evolving discipline, with new trends and ideas regularly gaining the limelight in Christian teaching, writing or ministry. This subject equips students for the challenging task of engaging with and analysing key, modern-day theological concepts and their impact on church life and on popular Christian thinking. <i>(MINTHY601 Analyse contemporary theologies to a ministry setting 60 hours)</i>
Training Skills	One of the things leaders regularly do in ministry is train people. It is one of the key ways they multiply their influence and expand ministry. This subject provides the practical skills needed to plan and deliver group-based learning. It will also explore how to assess people’s acquisition of skills and how to evaluate training effectiveness. <i>(MINPST604 Plan and deliver ministry training in a local church environment 56 hours)</i>
Platform Ministry	This subject practically equips the student to lead a service and deliver some of the key elements, such as communion, baptisms, altar calls, and offering messages. Students will also learn to conduct weddings, baby dedications, and funerals. <i>(MINLED608 Lead a Christian service or ceremony 59 hours)</i>

Preaching

Preaching is one of the most effective tools for communicating the gospel, teaching biblical truth, and impacting lives. In this subject, students will be introduced to the theology, communication theory, and skills needed to construct and deliver powerful, life-changing sermons. They will also have opportunity to practice and be coached in their new preaching skills.

Please note: This subject is being made available exclusively to students who have completed a Diploma of Ministry in Worship Music, Production, or Film & TV. (MINPST503 Deliver a sermon | 59 hours)

Marriage and Family

This subject helps students develop a biblical basis for marriage and family, identifying relevant current issues encountered in various forms of relationships. Students will be equipped with the theology and ministry skills needed to help people in a Christian community build their marriages and families. It will also equip students personally, to build their own life-giving and exemplary marriage and family, while navigating the challenges of life and ministry.

Please note: This subject is being made available exclusively to students who have completed a Diploma of Ministry in Worship Music, Production, or Film & TV. (MINPST502 Interpret and apply the theology of marriage and family | 60 hours)

CREATIVE LEADERSHIP

Creative Director

This subject equips students who are committed to producing high-level creative presentations for their local church services and events. They will be equipped with the understanding and skills needed to produce creative elements of an event (story-telling, concept development, music, video, dance). Students will also develop an understanding of the necessary technical elements (sound, lighting). This subject will also develop the management skills needed to oversee such events and presentations. (CUAPPR602 Collaborate in professional creative projects | 56 hours)

Advanced Songwriting

In this subject students will further extend what they have learned in their Certificate IV and Diploma year songwriting subjects. Students will investigate and experiment with various writing components and music materials for the betterment of their writing, giving them the ability to fine-tune, rewrite, and evaluate songs to a professional industry standard. (CUAMCP602 Extend techniques for composing music | 44 hours)

Pre-requisite: you must have already completed the Songwriting focus in either Cert IV or Diploma.

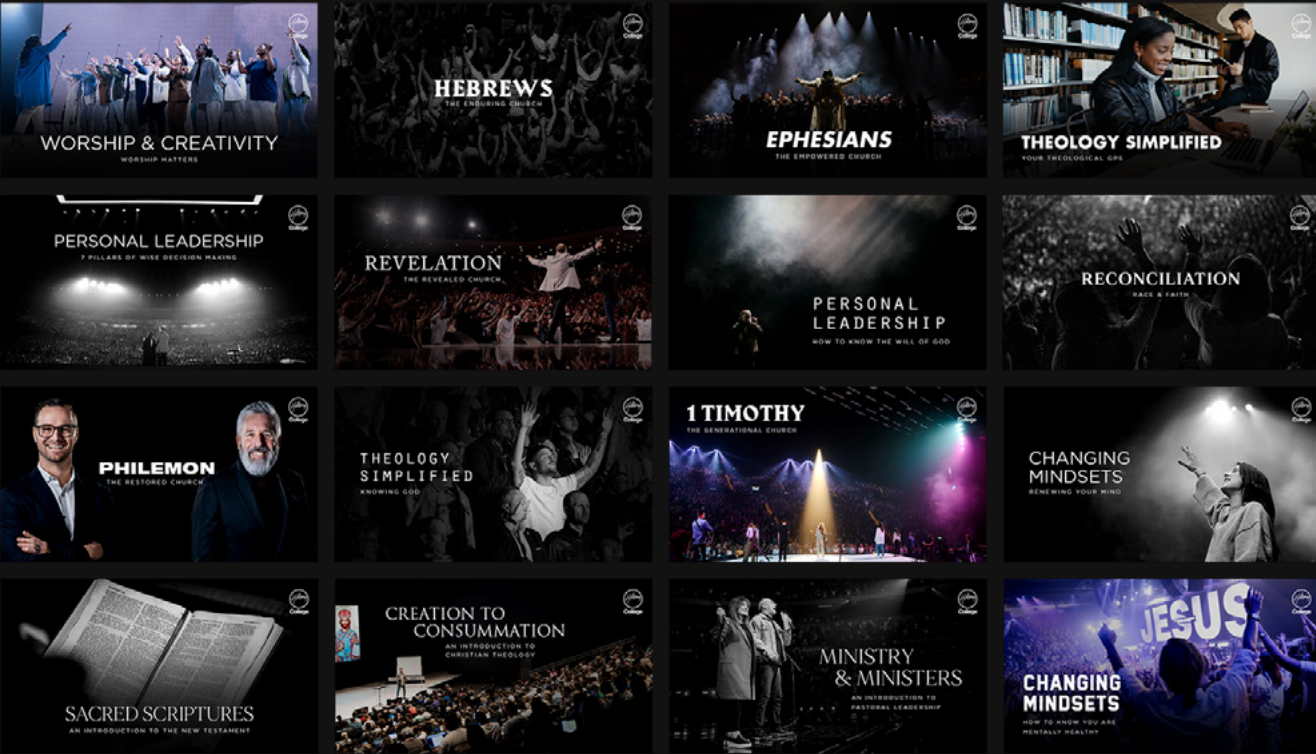

Creative Pastor

This subject is for anyone passionate about learning to lead and develop artistic people and teams. In this class, we specifically focus on discovering the personhood challenges artistic people on Creative teams face and how they shape them as people and ministers. We will also explore how artistic people tend to face unique issues in life, what these issues are and how one can become a leader who releases them to outwork their creativity, whilst living a strong, consistent life for longevity in ministry. (MINWMU602 Lead and pastor creative artists in a ministry setting | 60 hours)

FAQ

How diverse is the student body?
One of the greatest benefits of studying at Hillsong College is our international student body, helping students to form friendships and lasting connections with students from across the globe. Even while studying at our USA Campus, students will be connected with our global staff and student body. Together, our alumni represent more than 70 nations.

Does Hillsong College offer scholarships or financial aid to students?
At this time, Hillsong College does not provide scholarships or financial aid. Students provide for their fees in various ways – including saving before their course commences, working while they study, being sponsored by their home church or fundraising support within their community.

If you are unable to pay full-time semester fees, we encourage you to consider our flexible part-time options.

How much will my course cost and do I need to pay it all upfront?
Course fees vary between programs and awards. To find more information about fees specific to your preferred program, visit hillsong.com/college/tuition.

Tuition is due before each semester. Some courses are eligible for a Deferred Payment Plan, available from a student's second semester onwards. This allows students to pay their tuition in instalments.

Are Hillsong College courses accredited?
Our vocational courses are accredited with Australian Skills Quality Authority (ASQA), the Australian Government agency charged with quality and regulation of the vocational education and training sector in Australia.

Our online or on-campus undergraduate and postgraduate degrees are obtained and accredited through our partnership with Alphacrucis College located in Sydney Australia.

Our online Masterclasses are not accredited; rather, they function as short classes to equip and empower you wherever you are.

Are Hillsong College credits transferrable to other universities?
Our accredited vocational courses are designed to flow seamlessly into undergraduate and graduate programs at Hillsong College, and with the universities that we partner with globally. You can learn more through here: hillsong.com/college/partnerships

Does Hillsong College provide student housing?
Yes! If you apply for student housing through Hillsong College, we will source local accommodation on your behalf, near the campus of your choice. HC accommodation is shared

living, in which you're able to interact and live with other students. Generally, these properties are houses or apartments within the local area surrounding our campuses. Please note that these properties are not guaranteed to be furnished. Depending on the size of the property, you may live with 4 – 7 other students. Alternatively, you are welcome to source your own local accommodation.

To learn more about our accommodation and cost estimates, visit: hillsong.com/college/accommodation.

How many hours per week will I spend studying?
If you are a Vocational student, please allow at least 3-4 hours per subject.
If you are a Higher Ed student, please allow at least 6-8 hours per subject.

What student support is available for Hillsong College students?
Hillsong College is dedicated to the care and wellbeing of our student body. Right at the start of their journey, we welcome them into our community through orientations, information sessions and opportunities to get to know our HC team.

Throughout their studies, students have access to emotional and practical support through our Pastoral Care Team and can access academic advice and assistance through our learning support system.

What are the benefits of hiring Hillsong College graduates?
Our alumni can be found influencing nations, churches, families and industries across the globe. Hillsong College exists to raise students to their fullest potential, equip them with industry skills and knowledge, empower them to outwork their studies and release them to lead lives of impact and influence. The hands-on experience that is embedded in our curriculum prepares students for a life of ministry within the church or any career pathway they choose to pursue. Through practical training, students learn leadership, key decision making, team management, problem solving, communication, pastoral leadership and creative skills that have proven to be integral across a number of industries.

Who can I talk to if I have more questions?
