

An open Bible lies on a sandy beach. The sun is setting over the ocean, creating a bright reflection on the water and a warm, golden glow across the sky. The Bible is open to two pages, with text visible on both. The overall scene is peaceful and contemplative.

BRIANHOUSTON

Blessed

How do you live a blessed life? I believe every human being is longing and searching for this answer. Among the diverse range of colorful characters in the Bible, there is one I particularly admire. His name isn't mentioned, but he lives by Biblical principles. This Bible hero of mine is the righteous man described in Psalm 112.
