Re: *Hillsong East Coast*

To whom it may concern:

Zukerman Gore Brandeis and Crossman LLP (“Zukerman Gore”) conducted an independent investigation into Hillsong East Coast. Assistance in contacting witnesses and securing their agreement to be interviewed was provided by leadership at Hillsong Global as well as by selected senior personnel at Hillsong NYC. Although input and background information was provided by that same group of people, the determination of whom to interview, in what order, and what questions to ask was left entirely to Zukerman Gore.

Furthermore, during each interview Zukerman Gore provided witnesses with the attorney’s direct email addresses and when witnesses identified additional people who may have pertinent information, Zukerman Gore encouraged the witness to provide such person with Zukerman Gore’s direct email. When deemed appropriate, Zukerman Gore reached out directly to potential witnesses in attempt to obtain information.

The detailed report of Zukerman Gore will not be released to the public to protect the privacy and confidentiality of those involved.

Very truly yours,

John K. Crossman
