

# WATCH PARTY FAQ'S

## What is a 'Watch Party'?

- A Watch Party is a smaller gathering of our church congregation in line with the Covid19 Government regulations and protocols. It will be a smaller gathering ( but JUST AS POTENT + FAITH FILLED) in a few key suburbs that feed into Century City. There will be worship elements, a word and community/ time for social connection.

## Why a 'Watch Party'?

- We acknowledge the importance and need for safely gathering again. For the health ( emotional + spiritual) of our congregations and to be able to build healthy relationships with one another. It is also to ease "screen time" connection + data struggles (HELLOOOOO) the data costs are real.

## How will we keep the capacity within government Restrictions?

- MOST IMPORTANTLY WEAR YOUR MASK.
- We will have a booking system through Brushfire where the church ( and volunteers) will have to register for the sunday and the service they would like to attend and then scan in on arrival ( inclusive of a basic health declaration and temperature check)
- Here is the link to register for A Watch Party Near you
- <https://hillsong.com/southafrica/watch-parties/>

## I want to Volunteer, how do I do that?

- We would love to have you as part of the volunteer family
- Please sign up at this link for your relevant location and a team leader should be in contact with you soon.
- <https://hillsong-za.brushfire.com/volunteers/481962>

## What if I am unwell?

- We bless you and believe for healing in your body in the name of Jesus , but please stay home and get well- we are generous a people but not with germs or Covid19

## What if I can't join a watch party?

- Church-ON-THE-LINE is still happening and so you can join in from home/ your car/ a cafe you will not miss out.
- If you have a group of friends or your bible study group - why not do Church together in a home?
