# **FREQUENTLY ASKED QUESTIONS**

## **1. What is the Hillsong Africa Gap Year Program?**

Our Gap Year Program runs from February to December each year. It allows you to give a year of your life to grow in your knowledge of practical ministry as you become immersed in the day-to-day life of Hillsong Church Africa. The program consists of weekly team meetings, leadership development, Bible Studies, department specific work and much more. You will be given the opportunity to learn from great leaders, grow in your character and spiritual walk, work hard and be encouraged in who God has called you to be. The Gap Year Program will challenge you, inspire you and stretch you to your full potential in building God's house. While students will serve primarily in one ministry area, you will be exposed to a broad range of ministries and experiences.

## **2. What does the ideal candidate look like?**

The ideal candidate:

- Represents and lives a life fully committed to Jesus.
- Fully supports the vision of Hillsong Church.
- Is ready and willing to do whatever it takes, exciting or mundane, to build the local church.

## **3. How much does the Gap Year cost?**

The Gap Year cost is R6600 for the year. There are 3 different payment plans available:

1. A once-off, upfront payment option. Please note that there is a 10% discount available on the total fees should you wish to choose this option, making it a once-off payment of R6000.
2. A monthly payment option of R600 per month across 11 months, starting from 1 February and ending on 1 December.

3. A three-part payment option of R2000, payable across 3-month periods.

Please note, should your application be successful, you would be required to pay a deposit of R600 to secure your spot. This will go toward your first month's payment, or deducted from the total amount, should you wish to make use of the upfront payment option.

There are different payment methods available, such as online payments, card payments etc. These details will be made clear during the interview process.

Please also note that this fee is for participating in the Gap Year Program and does not include housing, food, transport or living expenses.

#### ***4. A typical week at a glance:***

The program runs 3 days a week; on Tuesday, Wednesday & Thursday or Friday, depending on the department you will be involved in, and a full day & evening on Sunday. Although our office hours are from 9am to 5pm midweek, there are many instances where students may be required to arrive early or leave late.

**Tuesday:** Students start the week with a Devotional session before joining in on Hillsong Church Africa's weekly Team Meeting. They then attend Bible college & teaching sessions for the rest of the day. We love Tuesdays because you get valuable input that equips you to do all that you get to do throughout the week.

**Wednesday to Friday:** Students check in with their Department Head, have planning meetings, complete departmental work or projects, prepare for upcoming events and more in the life of church.

**Sunday:** Students arrive at church for a volunteers meeting and then serve in their department or volunteer area for the day. You will have a lunch break before returning to church for the evening services, where you will serve across our evening services.

We love Sundays because you get to outwork everything you have learned in the week and see the difference you are making in each person's life who gets impacted by the message of Jesus.

Students are involved in serving at all events hosted by Hillsong Church Africa. The annual events include: Sisterhood, Colour Conference, Youth and Young Adults Conferences, Men's Conference, Kidsfest, Christmas Spectacular and many more.

### ***5. Do we have holidays or breaks?***

Our program is broken up into 4 terms in the year. Students receive a one-week break at the end of each term to refresh and get ready for the following term. The dates for these breaks will be communicated by the start of the program, but they are generally at the end of April, end of July and mid-October.

### ***6. Accommodation and transport?***

Accommodation is not provided by the Hillsong Africa Gap Year Program. Students are welcome to get in contact with one another and rent a flat or a house together.

While Cape Town, Johannesburg, Pretoria and Centurion do all have public transport systems for traveling to and from many of the areas, they are not of a nature that they can be relied on for punctuality and safety. While many people do make use of them during the day, they're not a great option in the evenings. We strongly advise you to save up and purchase a car for the year, if possible, as we have many evening, mid-week and weekend events that require you to have your own transport. If you would like some more information on transport and accommodation options, please contact us at **[gapyear@hillsong.co.za](mailto:gapyear@hillsong.co.za)**

## ***7. What do I need to budget for?***

If you are going to be living by yourself, please keep in mind the following things to work into your budget: rent, transport, food, other living expenses, Gap Year fees and Church events & conference registration fees.

These include:

- Church event costs: Approximately R900 for Conferences across the year.
- Gap Year fees: R6000 once off (includes 10% discount) or R600 a month across 11 months or R2000 across 3 parts (which amounts to R6600 as explained earlier).

## ***8. Once I have completed the program what's next?***

Previous students have gone on to study or work and do what God has called them to. We believe God takes you on an incredible journey throughout the year and reveals your next season when the time is right.

As a student community, we do take time out to pray and chat about this at different times throughout the year.

## ***9. Can I work while participating in the Gap Year Program?***

You must be able to demonstrate financial stability in order to become a Gap Year student, therefore having sponsors or saving up for the year beforehand is vital. We encourage students to work part-time (Monday, Saturday and some evenings), as long as it does not interfere with the Program schedule.

### ***10. What does Bible College look like?***

We are not a full-time Bible College and therefore do not offer accreditation or degree courses. Our program does however consist of lectures once a week, where we will be working through a course called "Journeying Through the Bible: Genesis to Revelation". This course is designed to help students get a better understanding of the Bible and to grow in their own personal walk with God. Homework is assigned and must be completed as part of the program. Upon graduation students will receive a Certificate of Completion for the Program, which includes Bible College.

### ***11. Do I need to be fluent in English?***

Yes, our church is an English-speaking church. While you will not be required to speak professional English, you do need to be able to confidently hold conversation or write and respond to an email effectively.

### **GROUPS**

Our Groups team is a key pillar in all we do as a church. Our goal is that every person who walks into our church would experience a genuine sense of belonging and find community within our church family. We outwork this through our various Mid-week and Weekend Teams who love serving by having meaningful conversations and helping to get every person integrated into church community, through various Groups and Interest Groups, Volunteer teams, and helping New Christians on their discipleship journey. Practically, this involves students helping with follow up calls and data entry to help integrate people into groups within the life of church.

Youth leaders give heart & soul to make our youth ministry strong on Friday nights, be in high schools mid-week and make Church pumping on Sundays.

### ***18-25 year old:***

The Hillsong 1825 Movement is the 18 to 25 year old expression of Hillsong Church Africa where we bring Jesus to our young adults by meeting them where they are at, in their season of life. We are passionately rewriting the narrative of students and young adults, mobilizing them, and showing that church is to be enjoyed and not endured, that there is a hope for the future and that we are all on this journey together. Students will play a pivotal role in coordinating university student ministries on and off campus, organizing worship nights, Summerfest, 1825 Encounter conference and facilitating Connect Groups across the city.

### *26+ year old:*
